Welcome to APPSPGHAN 2023

We are pleased to invite you to the 16th Asian Pan-Pacific Congress for Pediatric Gastroenterology, Hepatology and Nutrition (APPSPGHAN) hosted by the Korean Society of Pediatric Gastroenterology, Hepatology and Nutrition (KSPGHAN) to be held at Coex in Seoul, Korea from October 5 to 8, 2023.

Since the establishment of the APPSPGHAN, our mission has been to promote knowledge in the fields of pediatric gastroenterology, hepatology, and nutrition through scientific exchanges and research for the benefit of children in the Asian Pan-Pacific region. The congress has been steadily contributing to the development of our society through a well-structured system of continuing education. Following in the success of the 11th congress in Seoul in 2009, we are once again ambitiously preparing the 16th congress for 2023 at Coex, Seoul, Korea to further the advancement of the APPSPGHAN.

The Organizing Committee is preparing the next meeting to provide the best platform to share ideas, stimulate research, and disseminate knowledge among pediatric doctors in the Asian Pan-Pacific region.
